PREMIUM QUALITY ZIRCONIA SOLUTIONS

WITHOUT THE PREMIUM PRICE TAG

At John Winter, we're working closely with Dental Direkt - the world-leader in dental technology - to bring you a range of premium Zirconia at exceptional prices. So, whatever the restoration, you can deliver the highest quality solutions at a competitive cost.

WIDE CHOICE

With four solutions - solid white, shaded, high-strength multi-layer and super translucent anterior multilayer - you can select precisely the right Zirconia for the job (see overleaf).

FULL WORKFLOW RELIABILITY

Choose from a full set of compatible stains, colours and effects by Dental Direkt, for ease and greater accuracy with our Zirconia, every single time.

TRANSPARENT PRICING

Fixed prices mean simpler budgeting for you and clearer pricing for your customers.

ENJOY EXPERT SUPPORT

Technical backup on-hand when you need it, from the John Winter and Dental Direkt teams.

A SINGLE SINTERING PROGRAM

All our Zirconia sinters at the same temperature for convenience, as well maximum time and cost efficiency for your furnace, enabling you to maximise production.

MARKETING

As a John Winter customer we will provide you with Dental Direkt specific marketing material you can give to your customers. Let's grow your business together.

TRACEABILITY

All our Zirconia is batch traceable from you right back to the manufacturer - plus, we provide you with cards you can send out with each restoration if you want to provide this to your end customer.

We even supply
you the printed cards
you need to provide this to your customers
